Q: I'm enrolled in a Delta Dental plan, but I don't know which one. How do I find out?

A: Log in with your user name and password (on the home page or any page on the web site), then click on "Eligibility & Benefits" in the main navigation menu. Your plan type will be listed on this page. Your benefits department or administrator should also be able to provide you with the plan name.

Q: How do I find a dentist?

A: You don't need to log in to find a dentist, just use the "Find a Dentist" search on the home page. Select the type of dental plan you have and the state in which you wish to search. You'll then be able to search for a dentist by location, or you can check to see if your current dentist is a Delta Dental dentist.

Click on the Print an ID Card link on this page.

Q: Do I need to download and print a claim form?

A: You don't need to complete a claim form when you visit a Delta Dental dentist since the dental office does it on your behalf. You only need to download and print a claim form from the web site when visiting a non-Delta Dental dentist.

Q: How do I check on the status of a claim or a recently processed claim?

A: Log in by entering your user name and password (on the home page or any page on the web site) and click on "Claims" in the main navigation menu.

Q: Can I contact Customer Service on the web site?

A: Yes. You don't have to log in to contact Customer Service from our web site. Simply click on "Contact us" at the top of the home page and follow the appropriate links for your plan. You'll be presented with a number of contact options, including online Customer Service request forms for specific issues as well as the toll-free telephone number for your plan.

Q: How often is the site updated?

A: The "Find a Dentist" directory is updated weekly. The "Eligibility & Benefits" records are refreshed nightly and reflect any updates made the previous day. All other information on the web site is updated as needed.
