

A man who takes care of his health is a true

GIANT

Not counting some forms of skin cancer, prostate cancer in the United States is the most common cancer in men, no matter your race or ethnicity.* When you step up to the plate at our Men's Health Screening doctors look for cancer before it causes symptoms. This allows the discovery of cancer at an early stage when it may be easier to treat.

A Men's Health Prostrate Screening

Thursday, September 22

6 p.m. to 8:30 p.m.

The cost of the screening is \$20 and includes a DRE (Digital Rectal Exam) & PSA (Prostate-Specific Antigen Blood Test)

Ballpark style snacks will be provided
Space is limited, pre-registration is required

Call (530) 24-MERCY to register

Catholic Healthcare West is the official healthcare provider to the GIANTS
