TO: Member District Offering Discontinued Medical Plan
 FROM: Lauri Phillips, Account Manager
 SUBJECT: Discontinued Plan and Replacement Plan Information

Effective October 1, 2023, a prescription drug plan that your district offers will no longer be administered by SISC. The Rx plan **200/15-50** will be replaced with Rx **200/10-35**. This should cause no disruption to your member and the rate for the new plan will be within the regional rate range renewal.

Members enrolled on the discontinued plan will automatically be enrolled in the replacement plan shown below.

Current Rx Plan 200/15-50	Replacement Rx Plan 200/10-35
Generic medications are a \$15 copay at a non-Costco pharmacy (30-day supply) Costco pharmacy most generics are a \$5 copay for each (30-day supply)	Generic medications are a \$10 copay at a non-Costco pharmacy (30-day supply) Costco pharmacy most generics will be at a \$0 copay for each (30-day supply)
Brand medications, after the \$200 brand deductible is met, each brand prescription is \$50 per prescription (30-day supply)	Brand medications, after the \$200 brand deductible is met, each brand prescription will be \$35 per prescription (30-day supply)

Your district's October 1, 2023, Rates-At-A-Glance will reflect the change to this replacement plan.

It is the district's responsibility to notify impacted employees/retirees of this change. If your district would like to make plan changes, a Notice of Plan Changes form, found on SISCconnect, will need to be submitted to SISC by July 1, 2023.

If you have any questions or concerns, please contact your SISC Account Manager.
